(Beverly Hills) Exclave Gallery is proud to present its inaugural exhibition *THE INTRO*. This showing will signify the birth of Exclave Gallery and mark its position as Beverly Hills' premier outpost of artistic subculture. *THE INTRO* is on view from March 28th to April 27th. The exhibition will be Exclave Gallery's first public show and will feature eleven uniquely themed paintings by different artists.

Exclave Gallery was conceptualized from the raw and underexposed iterations of artistic expression generated from the narrowing chasm between the classical foundations of fine art and the contemporary explosion in street art. This burgeoning creativity that has been looking for its place in the art world now has a home in one of the most prestigious locales in the United States.

THE INTRO is Exclave Gallery's formal introduction to Beverly Hills, and the art world at large, through eleven authentic pieces of expression and creativity from eleven extraordinarily gifted artists.
